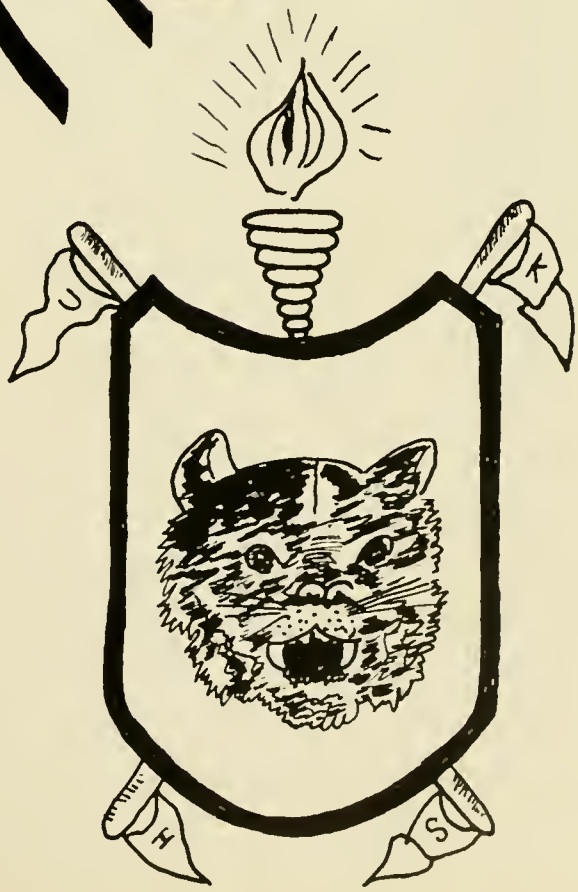
THE TIGER



1967

Virginia Beach, Virginia

UNION KE

MPSVILLE

Dedication

To "Coach" and
his staff

Our coaches, with their "feel of champions," spurred the Tigers on to greater things in football when they took over in 1964.

The Tigers and Union Kempsville have grown to new heights and become known and respected as a team to be "reckoned with" throughout Tidewater and much of the State in V.I.A. competition.

We dedicate this, THE 1967 TIGER, to a team of champions.

ADMINISTRATION

Foreword

To all the other classes which follow--'68, '69, '70 and so on for decades--we say, "Farewell and Godspeed."

We, the Class of '67, wish to be remembered through all of those coming years. Yes, even for a hundred years! And especially do we wish to remember this, our last year, as students at Union Kempsville.

We wish to remember this year as one brimmed full of fun and activities and all of the things that make the heart of a school pulsate with Life.

To those who by chance leaf through this candlelight and crimson TIGER, we hope that you capture some of the warm spirit of this year; and as you close the covers, reflect with a bit of nostalgia, "that was the . . .

. . . Spirit of Sixty-Seven"

Mr. J. V. Boykin
Principal

Mr. Boykin annually presents to an outstanding graduating young man the J.V. BOYKIN LEADERSHIP CASH AWARD. This award is presented to the young man, who in the opinion of the faculty, has displayed leadership ability throughout his high school years.

BELOW: Mr. Boykin greets patrons at Senior Parents' Tea held in October

BELOW: Mr. Morgan "rearranges" the many papers, files, folders, ever with him.

FACULTY

Art Department

Mrs. I. C. Wilson

Mr. W. B. Williams

The main objective of the Art Department is to effect the integration of Art with the total school curriculum. We further aim to provide for the specific needs of students' interests and aptitudes in order that they may reach their highest level of achievement.

Music Department

Mrs. Ruby L. Allen
Choir Music

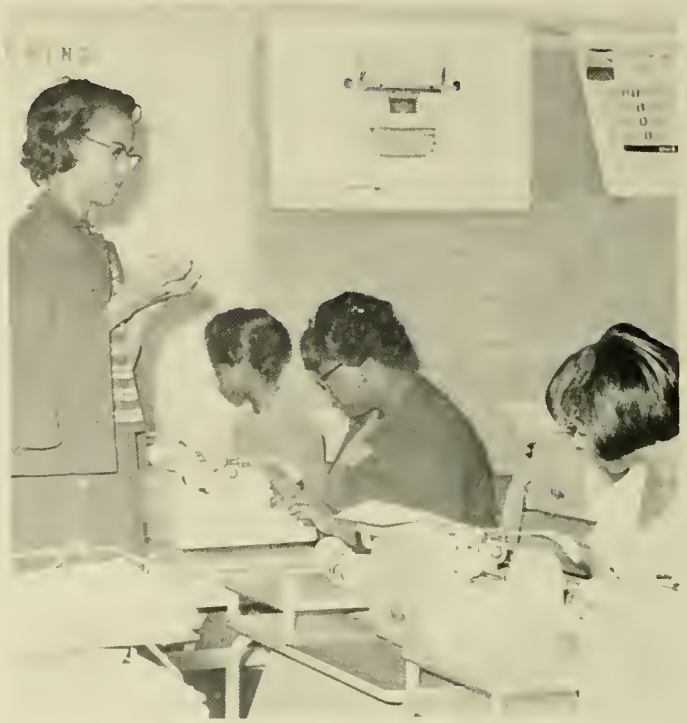
Mr. Roy A. Reid
Band

Music

The Music Department of the Union Kempsville High School provides opportunity for enrichment in the areas of choral music and band. It also provides opportunity for community music education through its annual spring and winter concerts.

Business Education Department

Mrs. Jean O. Siler

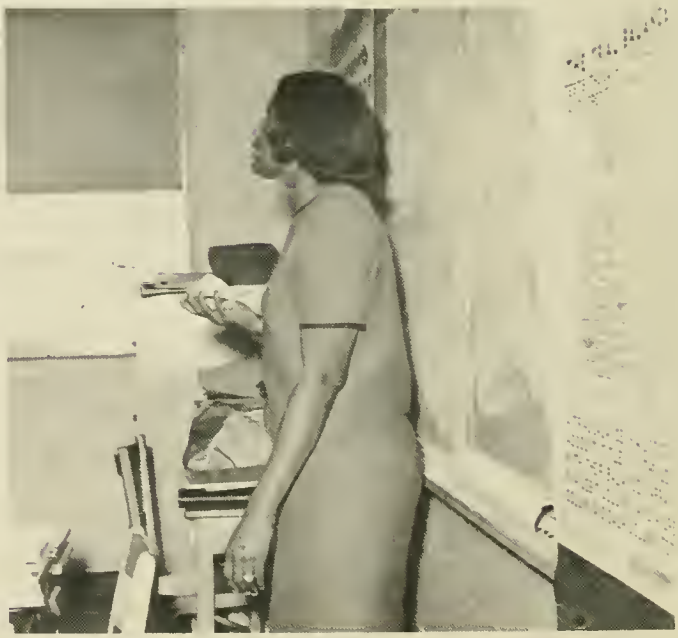


Business education is concerned with two major aspects of the education of youth.

The B. E. Department at U. K. strives to provide knowledge, attitudes, and nonvocational skills needed by all persons to be effective in their personal economics and in their understanding of our economic system.

Secondly, the B. E. Department endeavors to make available vocational knowledge and skills needed for initial employment and for advancement in a business career.

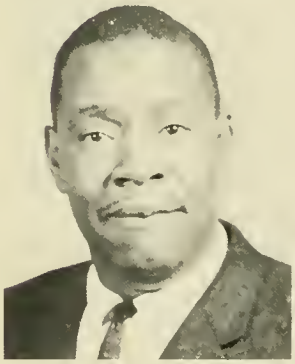
Mrs. Louise H. Reid



English Department

The English staff at Union Kempsville is cognizant of the innovations being made in the English programs throughout the Nation. The teachers of English remain alerted to take advantage of the newest trends through advanced study, in-service programs, and state and national conferences.

Our present program is designed to help students improve their quality of writing, as well as the clarity and accuracy of speech.



Miss Hattie Goodman

Mrs. Bernadine Rasberry

Mr. Robert Setzer

Miss Ruth Perry

Miss Sylvia Capps

Guidance Department

The Guidance program is based upon an understanding of the community; the needs of the pupils; the school's facilities and curriculum; and the abilities, interests, experiences and training of the faculty.

Mr. R. L. Gordon

Mrs. M. B. Brockett

Mr. J. Liner

Foreign Languages

Mrs. B. M. Patterson

Mrs. B. H. Greene

The learning of a foreign language is assuredly difficult, but when mixed with dashes of fascinating customs and understanding of different ways of life, whether it be south of the border or across the sea, it is easily accomplished.

Industrial Arts Dept.

Mr. A. H. Woodhouse

Industrial Arts

Industrial Arts is instructional shop work which provides all youth with sound educational experiences that contribute to the satisfaction of their purposes, needs, and wants.

Public secondary education must give every youngster the opportunity to learn to work with books and materials and to acquire reasonable judgment and some degree of technical know-how. Industrial Arts serves that purpose.

Philosophy

It is our contention that the mathematics courses taught at Union Kempsville High School provide a curriculum suitable for those students who will not go beyond high school, for those who will go on to college--the average, as well as the academically talented student.

We believe that our primary function is to train as many youth as possible for an intelligent, happy, and successful participation in today's world. Therefore, we shall use all methods at our disposal to motivate and challenge the students to perform to their greatest capacity.

Studies

The Social Studies Program in the Union-Kempsville High School has a dynamic role in the school curriculum. It is an avenue for fostering attitudes, skills, understandings, and competencies that are so essential to effective everyday living. The objectives of our program are to understand the world wide conflicts resulting from demands for resources; to understand that there will always be problems but that there are democratic ways of solving them; to understand the unending struggle of a proper balance between freedom and responsibility; to realize the importance of international relations throughout United States History.

THE PURPOSE OF INDUSTRIAL COOPERATIVE TRAINING

The purpose of Industrial Cooperative Training is to provide, through work experience and related studies, vocational trade and industrial training opportunities. This program develops a cooperative association between the student, school, industry, and community. The I.C.T. program also points out the requirements and opportunities in the various occupations and designs the class so as to contribute to the school objectives and philosophy.

ACTIVITIES

Miss Homecoming 1966

Lovely Miss Pearline Cherry, a Senior and honor student, was chosen Homecoming Queen and reigned gracefully over the Homecoming festivities.

At left, Pearline is crowned, "Miss Homecoming" by the Queen of 1966, Miss Marzelia Neal, as Mr. Boykin, principal, looks on.

Pearline, always a serious student, prepares to leave school after a full day of activities. One of her attributes is that she always makes a day's work count.

Senior Parents Tea

Each year, parents of all seniors are invited to a Sunday afternoon tea, at which time, senior affairs are discussed with the parents. To the left are pictured some of the parents of the Class of '67 as they enjoy some of the refreshments.

Senior sponsors, Mrs. L. H. Carter (second from left) and Mr. W. J. Watson (second from right) talk with some of the parents.

Parents also enjoy talking with each other.

ORGANIZATIONS

Lambda Chi

HONORARY SOCIETY

The Lambda Chi provides a token of distinction for the high scholastic achievement and character of our students.

To become a member of the Lambda Chi, one must be above average in scholarship. One must further be investigated by other members and the faculty sponsor. After a potential member has been observed and interviewed by the members he is then initiated into the honor society.

Y-Teens

The Y-Teens are the energetic "Miss Lady-likes" of Union Kempsville. This year they sponsored a Thanksgiving drive to help needy families.

The Y-Teens are most prompt when it comes to lending a helping hand. We tip our hats to the Y-Teens.

Mr. Morgan, Assistant Principal, congratulating students for a job well done.

Y-Teens are gathered beside their Thanksgiving baskets as the photographer captures their smiles.

Spanish Club

Spanish Club

The Spanish Club fosters the enjoyment of the music, art, and literature of the Spanish-speaking people, and an appreciation of the contributions of the Spanish to western civilizations.

Officers

Vivian Tyler, President
Leverta Willie, Vice President
Margaret Holley, Secretary
Perlean Cherry, Business Manager
Shirley Brockett, Publicity Chairman
Bobby McIntyre, Sgt.-at-arms

Regina Floyd, Chaplain

Marion Barham and Rudolph Lewis, Co-ordinators

"Within the ever narrowing boundaries of the world, it has become evident that the ability to speak a language fluently, intelligently, and confidently is not only an admired accomplishment but a definite necessity."

Dramatic Club

Drama is life. Master playwrights, brilliant actors, sincere directors, and unique settings make up drama.

Many students possess dramatic abilities and enjoy dramatic activities. The Dramatic Club helps these students cultivate a sincere appreciation for the fine arts of the theater and to enhance their personality growth.

The members of the Dramatic Club of Union Kempsville High School enjoy their participation in the club's activities as well as their own "inventive" abilities. "Original playlets" is one of their hobbies.

F.H.A.
Future Homemakers of Ameria

These girls are members of an organization which reaches throughout the United States and extends to Puerto Rico and the Virgin Islands--The Future Homemakers of America.

As an integral part of the homemaking program, FHA provides opportunities for students to have additional experiences in planning and carrying out activities related to homemaking.

Industrial Arts Club

To foster the development of a strong foundation in the skills, knowledges, and attitudes regarding technical matters, is a goal of the Industrial Arts program. With their coffee tables, woodwork, and candle holders, among other projects, this club's members daily perfect their diversified skills.

The year, 1966-67, will be marked by progress and achievement.

Sports Club

The Sports Club annually sponsors a formal Valentine's Dance in order to raise funds to support the athletic teams.

One of the primary projects of the Sports Club has been to finance the spring trip of the Track Team to the Penn Relays.

Active membership in the Sports Club include:

Delores Wilson, Georgia Jordan, Shirley Eure, Ella Johns, Vernette Harold, Evonne Snowden, Patricia Shaw, Linda Butts, Addie Smith, Jacqueline Skinner, Barbara Williams, Jacqueline McCray, Linda Newborn, Sarah Winston, Jean Walke, Dianne Wiggins, Earnestine Joyner, Barbara Johnson, Carolyn Reid, Delores Burgess, Rebecca Whitehurst James Nimmo, Frank Simmons, Percy Phillips, Robert Williams, Randolph Christian, Jesse Williams, Rueben Williams, Alvin Woodhouse, Kenneth Boggs, Walter Fentress, Anderson Freeman, Johnnie Drewitt, and Iswell Creekmore.

Choir

The choir, under the direction of Mrs. Ruby L. Allen, distinguishes itself in its many public performances, including the annual winter and spring concerts.

Student Council

The Student Council at Union Kempsville High School is an organization composed of representatives from each homeroom, and chosen by their classmates. These student monitors aim to promote citizenship among the student body, encourage and plan extracurricular student activities, and supervise student conduct. The student council is the most active organization in a school where students and their futures are fully developed through active participation.

Debating Society

Participation in the lively discussions the Debating Society often finds itself engaged in helps the members become more aware and concerned with the controversial affairs which affect our nation and encourage the future leaders to train themselves to weigh facts before passing judgment.

In addition to developing competence in public speaking, debating, also, more personally, stimulates thinking and provides training in research.

Officers of the Society are President, Donnell Grimstead; Vice President, Gloria White; Secretary, Linda Felton; Assistant Secretary, Perlean Cherry; Treasurer, Charles Etheridge; Reporter, Fentrell Carter.

Sponsors are Miss R. A. Perry and Miss S. J. Capps.

Leadership

The two clubs are similar in purpose and objectives. They meet and plan their public service activities together.

The Future Teachers of America and the Xinos give status to young ladies whose academic achievements may be limited, as well as to those persons who have special aptitudes, attitudes and interests.

Xinos
Future Teachers of America

The Club also offers recreational and well rounded developmental activities to all students.

The club additionally offers opportunities for exploration in trades and emphasis on preparing girls for college.

Library Club

The Library Club is an organization composed of library assistants and students interested in the general welfare of the library. Members are taught proper procedures for circulating books, operation of audio-visual equipment, supervision of reference room, preparation of new books, etc.

The Club is a member of the Virginia State Library Assistants Association.

Officers of the club are: Barnett Thourogood, President; Anthony Rotan, Vice-President; Juanita Holloway, Secretary; Anita Lamb, Assistant Secretary; Wilton McCoy, Treasurer; and Rosie Olds, Chaplain.

Girls Club

The objective of the club is to direct the attention of Girls toward factors which are important in preparing them to bear the responsibilities of the future.

American Education Week was observed at U.K. at an assembly at which time Dr. Roy Wood was guest speaker and Mrs. Reuben Wills, P.T.A. pres., appeared.

This Club tends to let Girlhood of our race know that the community is interested in the welfare of each girl.

Scholastic Team Honorary Society

The publisher and editors of the LEDGER-STAR established the Tidewater Scholastic Achievement Team Award in order to recognize achievement of superb students, both in relationship to individual schools and in the whole Tidewater educational community.

This recognition is given in wide publicity in order to focus attention on the exceptional pupils and to encourage others toward high scholastic accomplishment.

Members of the Scholastic Achievement Team from Union Kempsville for the year 1966-67, are top left; Reggie Jackson, Ann Ivery, Donald Petty, Linda Butts, Clifton Foreman; bottom left Carolyn Smith, Deborah Peebles, and Evone Foreman.

Each member of the 1966-67 Union Kempsville Scholastic Team received certificates and the Ledger-Star presented the Union Kempsville Team with an engraved award.

Brush and Palette Club

Art Club

Art training is valuable to those who have special abilities in drawing, painting, and the varied crafts.

It offers them a pleasant way to spend their leisure time--a hobby. The realization that the basic needs of art today are social, educational and cultural, deepens our concern for the integrity of the student as an individual or personality in how to adjust himself happily. Our foremost purpose is to provide activities in terms of the students' interests in order for them to express themselves.

Industrial Co-operative Trainees

I. C. T. CLUB

Building skills and character is the goal of the vocational training clubs. The members of the club believe in and live by their pledge:

I SHALL endeavor to become an employee whose services will be recognized by my employer as being of the highest caliber.

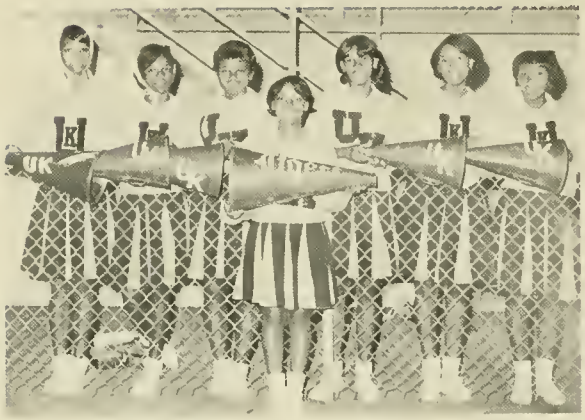
I SHALL respect the rights of my employer, my teacher, and fellow students.

I SHALL honor and respect my vocation in such a way as to bring good repute to myself as well as to others; that any resulting reward will be built upon a solid foundation of work and service.

I SHALL make every effort to uphold the ideals of my training.

ATHLETICS

Cheerleaders



These agile and spirited cheerleaders, so full of vigor and vitality, are the backbone of our athletic teams.

Not to be forgotten is the important role that the pep squad plays. Bubbly, bouncing pep leaders pictured on this page are Cynthia Murphy, Frances Taylor, Brookie Lewis, Barbara Harris, Sylvia Brown, Lavern Dildy, and Gloria Macer.

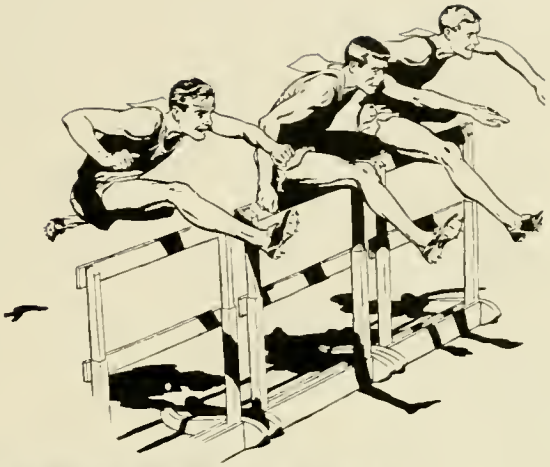
19 Track 67

U. K. runners sprinted through the Norfolk State Relay, Hampton Relays; and brought back honor and ribbons. All of these test the stamina of any runner and these boys always proved themselves equal to the test.



Hours of conditioning and training go into building the muscles and stamina for pole vaulting, trotting and disc throwing.

Basketball

These boys take the hooking of a large round ball into an elevated net seriously--almost as a way of life.

By applying drive and determination to teamwork and the skills and knowledge of the game and mixing in an indestructible desire to excel, this team has discovered the formula that makes for sure and solid success.
